■ EU    ■ NON EU

There were over 136 000 petrol stations in the EU-27, Norway, UK, Switzerland and Turkey operating in 2020 fuelling some 250 million cars and over 35 million trucks.

\* Numbers for 2019

\*\* The decrease in the number of the stations in Romania compared to the previous year is the result of a new procedure of counting, which does not include the unbranded pump stations.
